We are a member-driven organization that advocates for effective and efficient capital markets.

America's capital markets provide the engine for our country's economic growth by recognizing and driving capital to the best ideas and enterprises.

From all of us at SIFMA and on behalf of the nearly 1 million individuals who provide access to these markets, we extend our best wishes for a healthy and productive year. We look forward to continuing our work with you to preserve and promote the vital role of the world's deepest and most liquid capital markets in the next chapter of America's future.

2017 US MARKET HOLIDAY RECOMMENDATIONS

On behalf of financial markets participants, SIFMA recommends a holiday schedule for financial markets in the U.S., U.K. and Japan. All SIFMA holiday recommendations apply to the trading of U.S. dollar-denominated government securities, mortgage- and asset-backed securities, over-the-counter investment-grade and high-yield corporate bonds, municipal bonds and secondary money market trading in bankers' acceptances, commercial paper and Yankee and Euro certificates of deposit. Previously scheduled SIFMA early close recommendations do not affect the closing time for settlements.

** All recommendations are subject to change. Please visit www.sifma.org/services/holiday-schedule for the most up-to-date information.*
