## **INSTRUMENTS**

FED Book – Entry Securities

## **TEST SCRIPTS**

A test form will be furnished by BNY Mellon to all clients who have been registered to test and we ask that the components that will be tested are completed and returned to BNY Mellon at least 1 week prior to the SIFMA test date.

## **TEST INFORMATION**

- BNY Mellon Broker Dealer Services will have its contingency data center available between the hours of 9:00 AM to 1:00 PM New York time for client testing on October 5, 2013.
- BNY Mellon's applications that are being tested will have a system date of Monday October 7, 2013.
- The purpose of the test will be for clients to connect from their respective back-up sites to BNY Mellon's back-up site.
