SIFMA SECURITIES INDUSTRY BUSINESS CONTINUITY TEST Saturday, October 05, 2013 Test Day Script

Test Component	Derivatives				
Exchange/Utility	Canadian Derivatives Clearing Corporation (CDCC)				
Test Day Contact	Technical questions: Technical Help Desk : Toll free 1-877-588-8489 / Local 514-871-7872 MX Business questions: Market Operations Department : Toll free 1-866-576-8836 / Local 514-871-7877 CDCC Business questions: CDCC Member Services lines: 514-871-3545 or 416-367-2470				
Test Description	Firms will submit dummy orders for pre-determined products to the Montreal Exchange (MX). MX will validate the receipt of these orders as defined in the transaction acknowledgement protocol field below. - MX participants can use the following protocols for order entry: STAMP, FIX, SAIL - Market data will be disseminated via the HSVF - Also available for testing – ATR, Drop Copy, TMS, Clearing API, FTP server Trade data will flow through from MX to CDCC's SOLA® Clearing system (Connectivity – trade processing for clearing). Within SOLA® Clearing's Disaster Recovery (DR) environment, Clearing Members would be able to enter the system following login in, access and visualize trades. Please note that specific CDCC reports will be provided as of Monday, October 07 th following end of day batch. Please note that Fixed Income/Repo transactions WILL be included in the scope of the 2013 SIFMA DR Test. Select Clearing Members through their Service Vendor will conduct a Fixed Income/Repo trade using a specific ISIN. Details to follow closer to the testing day to the Clearing Members/Service Vendor. As access to the CDCC File Transfer Protocol (FTP) Server will be available, CDCC would request that Clearing Members attempt to access the latter in a DR-mode and advise CDCC staff if everything was readily accessible (Clearing Members can send an e-mail to edccops@cdcc.ca) CDCC will likewise request those Clearing Members with a FIXML connection feed to please test their connectivity to the latter in a DR-mode, including the FIXML FTP Server, and advise CDCC staff if everything was readily accessible (Clearing Members can send an e-mail to edccops@cdcc.ca) NOTE: Pre-test/connectivity test is scheduled for Saturday, September 07 th , 2013 between 10:00 and 13:00
